

EAL – English as an Additional Language

Did you know that almost a quarter of the children at Woolston Infant School speak another language at home?

At Woolston Infant School, we are proud to be offering support and guidance to our EAL (English as an Additional Language) children and their families. In the spirit of the highly inclusive culture of our school and consistent with our values of tolerance, acceptance, respect and equality we strive to support achievement, success and ambition for all our children.

We appreciate the parental involvement and the strong, inclusive community of Woolston Infant School. We are aware that by creating a safe and supportive learning environment for our children will have positive impact on their social, academic and personal development.

Our EAL Coffee Mornings intent to provide a safe and relaxed environment for parents and carers to talk about school related topics, to hold informal conversations and to have an opportunity to become actively involved in our positive and inclusive school community. They also offer tips and advice on how to support our bilingual children with their academic progress such as reading at home or phonics learning.

Come and speak to Mrs Cool or any of our staff. We would love to hear from you.
