It has been lovely to walk around the school and see so much great learning going on, both inside and out.

Year 2 have been learning all about the Great Fire of London and have some great knowledge about the event already. Year 1 have impressed me with their increasing number fluency – some of their addition has been very impressive. Year R continue to amaze me at how well they have settled and how much they have been learning. I think many of the parents who attended the phonics drop in will agree.

Phonics drop ins

Following on from the parent workshops that Miss Jenkins has been running, we would like to invite parents to come and watch a phonics lesson in their child's class. These will be:

Year 1: Thursday 16th November 9.00am

Unfortunately, we must ask that **NO** siblings are brought to these sessions as they are a school lesson. Please allow the children to carry on with their lesson as normal and stand back and watch how well they are learning.
