12th Parents Evening

It was lovely to see lots of parents attend the Year 1 reading session this morning. I hope there will be another good turn out tomorrow when Year R parents have the opportunity to come and watch their child read in class.

Next week is Safer Internet Day. In school we will be talking to children about how to use technology safely, both in school and at home. I know that for you as parents, your child's safety is really important. A few ways you can support are:

- Always be in the room when they are accessing the internet.
- Don't forget to check the filters on your computers, laptops and tablets and don't forget your phone!
- Set a time limit for your child to use the internet
- Ensure the content of what your child is playing/ watching is age appropriate

Headteacher

If you have changed any of your contact details, particularly your phone numbers, please make sure that the office have your up to date information so that we can contact you should your child be unwell.

School starts at 8.35am. The gates to the school will be closed at 8.50am. School finishes at 3.05pm Please be at school on time!

Universal Free School Meals

All the children in our school are entitled to a hot lunch every day, free of charge! Please encourage your child to have a hot meal every day.

As you may be aware we receive a weekly delivery of food from Fareshare. We use some of our Pupil Premium funding to fund this service. This is offered to families to collect on a Tuesday each week. If your circumstances have changed or you feel this would benefit you, please email the school as we would never like to see food go to waste!
