

Curriculum Statement of Intent PSHE (including RHE and SEd)

At Woolston Infant School a PSHE (Personal, Social, Health and Economic Education) curriculum aims to provide our pupils with spiritual, moral, cultural, mental and physical development and to prepare them for the opportunities, responsibilities and experiences of life.

Our PSHE curriculum intends to enable our pupils to acquire and develop the knowledge, skills and vocabulary they need to live a healthy, safe, responsible and balanced life.

We endeavour to give children opportunities to reflect on their own values and attitudes and those of others. We aspire to be able to develop children's understanding of themselves and their relationships with others.

At Woolston Infant School PSHE is carefully planned and taught explicitly as discrete lessons. It is organised into three themes, which are taught each year: Health and wellbeing, Relationships and Living in the wider world including concepts of Safety. PSHE is also taught through the day to day life of the school such as through assemblies, the school's behaviour policy and it is embedded via our 'Golden Rules' and our values.

Woolston Infant School PSHE supports our Spiritual, Moral, Social and Cultural learning (SMSC) and encompasses British Values. It strengthens our caring and inclusive ethos as well as our School Values of Achievement, Cooperation, Kindness, Perseverance and Tolerance. We are proud of the progress our children make during their time at our school in all areas of PSHE.
