‘At Woolston Infant School we believe that everyone matters. We will provide a happy, caring and safe learning environment in which children can develop their academic, personal and social skills. We will ensure that all children have the opportunity to reach their full potential through a curriculum that is creative, challenging and fun.

We will develop partnerships within school and the wider community.

Parents will be encouraged to actively share in their child’s learning and wider school life.

We aim for our children to become independent, healthy and responsible members of the community equipped with the skills and attitudes to be life long learners.
