## Headteacher's Message

It has been a busy week with lots going on. Year 2 had a fantastic day at the Sea City Museum last Friday. Speaking to the children and staff, they all said how much they enjoyed it, especially travelling by train. The children were very well behaved, and their understanding of railway safety was clear to see.

It has also been lovely to welcome parents in to watch live lessons. Year R parents visited last week, and this morning Year 1 parents came to see how we teach reading. I hope you all enjoyed the opportunity to see your child learning. We will ensure there are more opportunities throughout the rest of the year.

This week we have celebrated Safer Internet Day, marking it with an assembly on Monday and a range of activities across the school. We know children have access to many types of technology, and we aim to teach them how to use these safely. Our school website also includes a range of helpful links about safe internet use.

Enjoy the half-term break, and we look forward to seeing you all on Monday 23<sup>rd</sup> February at 8:35am.
