Headteacher's Message

It was great to see so many join us for our Mother's Day reading event last Friday. There was a fantastic turn out which again supported our passion of ensuring all our children can read.

This week, we welcome two teaching students from Winchester University, Miss Lilleyman in Maple class and Miss Adams-Worth in Poplar class. They will be with us into July as they learn from our staff here at Woolston. I am sure you will all welcome them if you see them around school.

Hopefully, the nicer weather is here to stay – the children have been enjoying using the field and conservation area this week. With lots going on between now and next Thursday, when we finish for Easter, please ensure your child is in school so they do not miss out.
