Headteacher's Message

It has been a great first week back to school. The children have returned and got straight back into their learning. Year R have been learning all about the farm, ready for their first school trip tomorrow, when they are off to Longdown. Year 1 have been working hard in maths. They are now using larger numbers to apply the knowledge they have learned so far. It is impressive how confident they are becoming with recognising and using numbers within 100. Year 2 have been continuing with some geography, looking at coastlines and beaches around the UK. This will involve a local walk to Weston Shore next week to look at the features of the coastline local to us.

Thankyou to everyone who collected sponsorship for our sponsored slide. We raised an amazing £2979.50 from the event.
