## Headteacher's Message

Last week year R visited Longdown Activity Farm on their first school trip. With so many excited faces returning to school, I know the children thoroughly enjoyed the day. It was also lovely to receive a call from the farm to say how well behaved and engaged all the children were. Well done year R!

In assemblies we have been thinking about how we stay safe. We have started to look at how children stay safe in school and over the next few weeks we will be thinking about how we can stay safe at home. As part of staying safe, can I ask that no scooters or bikes are used in the playground before or after school. With lots of pupil, parents and younger children around we would not like to see any accidents. Another reminder that toys should not be brought into school from home. We would not want any child to lose anything at school that they value.
