Headteacher's Message

It has been a busy week in school. We had Lee from Solent University in last Friday again, this time with the Mini Warriors. It's great to see the children having the opportunity to take part in these activity days and see their perseverance as well as the fun they have. I must say, I was very impressed with Year R.

We continue to talk about staying safe. Over the next few weeks, we will be discussing staying safe outside of school, as well as inside of school. We will also be practicing our stay safe and fire drills.

Due to a clash in events, we are having to move the Fathers Day reading event. The event will now take place on Thursday 18th June at 2.00pm.

Please ensure your child is in school every day, so that they get to experience all the fun events and activities we have planned. Every day is fun!
