## Headteacher's Message

Where has the time gone? We are now halfway through the final term of the school year and look forward to the final half term with lots of activities going on.

As you may have seen, our sensory garden is nearly finished. The landscaping has been completed, and we are just waiting on a water feature and a few more bits to go into the garden. Once that has been installed it will be open for the children to enjoy in school.

As we move into the second half of the term there is lots going on. Exciting events as well as lots on transition to children's new classes. To ensure we can support all pupils to settle in their new classes and with a new teacher, please ensure they are in every day.

We hope you enjoy the half term break.
