Headteacher's Message

Over the past week we have seen the start of the World Cup. The children have been talking lots about the competition and we have been using this to look at our school value of perseverance. We have seen lots of this from all children in classrooms recently. It is lovely to see how confident the children are and how far they have developed this year.

Year 1 completed the phonics screening check last week. I can only say how proud we are of Year 1 and how confident they were with their reading, well done! I look forward to being able to share the results with you as soon as I can.

We are at that point in the year where transition to new year groups or schools are being discussed. Everyone will be informed of their new class and teacher before the transition day on the 1st July.
