Headteacher's Message

I hope you are all keeping safe in the unusually warm temperatures. As you can imagine it has been warmer than usual in school, but we are putting in every possible measure to keep the school environment as safe and comfortable for all pupils and staff. I must say, the children have been coping with the increased temperatures amazingly in school.

I'd also like to say a thank you to all parents in your understanding of the situation we find ourselves in. From Friday, with cooler weather we will all be back to normal!

Next week we see the citywide transition day, with our year 2 visiting their new junior schools. This will allow our current year R and 1 pupils to 'shuffle up' for the day to meet their new teachers. More information of your child's new year 1 or 2 teacher will be sent out next Monday.
