Begin to use features to compare animals. Recording and analysing.

## Memorable Moments

RNLI visit  
Walk to Weston Shore pirate ship  
Miller's Ark Farm

### Celebration/Parental Involvement

Year group assembly  
'Share' assembly  
Sport's Day  
Whole school picnic

## Geography

Human and Physical Features – School and local environment.

Maps and plans - Features of the local area(walk to Weston Shore and pirate treasure hunt)

### Skills

Enquiry - to ask and respond to simple closed questions.

Use simple fieldwork and observational skills to study the geography of the school and its grounds, and the key human and physical features of its surrounding environment.

Make observations about where things are within the school or local area (first hand observations).

Follow directions (Up, down, left/right, forwards/backwards).

Follow directions North, South, East, West.

### Skills

Use sources of information to investigate their surroundings.

Make observations about where things are within the local area (first hand observations).

Follow directions (Up, down, left/right, forwards/backwards).

Follow directions North, South, East, West.

## Art

### Knowledge

Focus artist: Lena Headly

To develop all observational drawing techniques learnt.

Skills- Painting, collage and Observational Drawing

Use a range of materials creatively to design and make products.

To use the correct pencil to draw.

To continue to develop different pencil mark techniques.

To experiment with appropriate resist materials.

### Activities

Sea scape pictures using a variety of different materials and techniques; tie dying, collage, painting, observational drawing of shells.

## RE

Water Symbol

### Real PE: Health and Fitness

Sammy Squirrel and his rolling nuts  
Casper the very clever cat

### Computing

Word processing skills

### Music

Texture and Timbre  
Music Express - 'Water'  
Portside Pirates

### PSHE

Staying Safe  
Changes

### Science - Growing

Vegetables
